

Books Details

Please use this form to submit details of your published books to the Authors' Licensing & Collecting Society (ALCS).

The ALCS collects money for books from a variety of sources.

These include:

- The photocopying licensing scheme
- German Public Lending Right (PLR)
- Dutch PLR
- Austrian PLR

You do not have to register your titles with ALCS in order to receive the payments for these titles; however, this information does help to ensure that ALCS will pay you all the money to which you are entitled.

You can update your works information online at www.alcs.co.uk via the Members' Area of the site or you can complete this form and send it to:

Guidelines for submission

Please complete all sections of the form where possible.

Please include the ISBN, book title, and publisher of each title, as well as including your contribution to the book (eg author, editor, translator) and the names of any co-authors. In addition, please indicate where the rights in a title have reverted to you.*

Please note that ALCS does not pay out money for the illustrator's share of a title; these payments are

administered by the Design & Artists Copyright Society (www.dacs.org.uk).

*** Many publishing contracts include a mechanism for the reversion of rights to an author in certain circumstances (eg where the title has gone out of print). Please indicate by ticking (where you have this information) the column entitled 'reversion of rights' those titles in which the rights have reverted to you.**
